

RE: Appeal of Denied MRI Cervical Spine

Patient: Sarah Williams
Member ID: HF-456789123
Claim Number: CLM-2026-46251

The patient completed physical therapy, medication therapy, and home exercise programs, yet continues to experience cervical pain, numbness, weakness, and reduced mobility. The patient satisfies Policy MSK-2026-CSP Section 5.1 criteria. We respectfully request approval of the MRI Cervical Spine Without Contrast.

Sincerely,
Dr. Emily Carter
